Respected

sir/ma'am

Kumaun University in the year 2017 started kautik students film festival to promote films in this remote town of Nainital. The seed of "kautik film festival" was sown empathizing with other fellow students who needed a platform to share their experiences as well as look out avenues for their future professional endeavours.

With the great success of the festival in its 2017 edition we plan to make it international this year to broaden the horizons. The beauty and serenity of Nainital a small town of Uttarakhand will surely work as a catalyst to attract great audience and film makers from all over the world.

It would be a great honour of Kautik to invite films by the students of your reputed institute to participate in its fair 2018. Speakers who would like to share their knowledge and experiences with the budding film makers are also invited in this platform. **The Event dates are 7th, 8th and 9th April, 2018. Last date of submission of application is 10th of March, 2018.**

If the institute is a part of this vision to promote art in visual medium in return we do promote the institute in all our banners, posters and booklets.

In anticipation of your reply we hope to walk together in this journey of kautik film festival !
