

Department of Political Science

D.S.B. campus, Kumaun University, Nainital

Vision:

The Political Science Department seeks to provide students the most up-to-date knowledge about society and polity that will equip them to face multiple challenges unleashed by contemporary modern society and prepare them to perform their role as a responsible citizen. The department is committed to develop among them abilities of critical evaluation and sound judgment of the issues of the Political system. To inspire students to conduct serious empirical research pertaining to Sustainable Millennium goals and development of the nation

Mission:

To produce best human resource for the advancement of society, State and the nation

To Produce role model leaders in all walks of life particularly in the sphere of governance and social service
