

## **Kumaun University, Faculty of Law, SSJ Campus Almora (Uttarakhand)**

### **Bachelor of Laws LL.B. Three Year Course Curriculum Structure**

#### **Programme Educational Objectives**

The programme consists of Discipline/Core courses. The core courses include LL. B. Three Year Professional Course. These courses are designed in such a way that they help students in achieving professional skill and their holistic personality. The comprehensive *Panchmukhi Shiksha* or Five-fold Education model of Faculty of Law, Kumaun University, SSJ Campus Almora, includes physical, intellectual, moral, professional and aesthetic dimensions of human existence. It intends to dissolve all seeming binaries of life so that the students of Faculty of Law can nurture a harmonious and holistic personality. It also develops a sense of ethical behavior, nationalism, appreciating Indian culture and ethos.

#### **The main objectives of the programme are:**

- To acquaint students with complex textures of Indian culture and ethos.
- To develop students' wide understanding of and on the major concepts, thoughts, and ideas of LL. B. Three Year Professional Course.
- To inculcate among students critical, creative, liberal, innovative, and scientific acumen.
- To engage students in self-reflexivity and lifelong learning.

- To help students in integrating different aspects of physical, practical, aesthetic, moral and intellectual dimensions of education to develop a holistic personality of each student.
- To nurture an effective citizen with a strong value base and ethics.
- To familiarize students with environmental contexts, inclusivity and sustainable development.
  - To acquaint the students with the multidimensional professional exposure and skills available in the government and private sector.

### **Programme Outcomes**

#### **PO1: Enrichment of Intellectual and Epistemic Tradition:**

The programme develops students' wide understanding of and on the major concepts, thoughts, and ideas of international and national legal system of LL.B Three Year Professional Course. It also enriches their analytical, critical, creative faculties.

#### **PO2: Inculcation of Planning Abilities:**

The programme hones effective planning abilities including time management, resource management, delegation skills and organizational skills of students which may develop their leadership qualities. It also prepares students for implementing plans, organizing several cultural and academic activities, coordinating to meet deadlines.

#### **PO3: Amelioration of Problem Solving Skills:**

The programme prepares students to contextualize and to rationalize the principles of scientific enquiry, theoretical and philosophical thoughts, analytical and creative thinking for solving problems and making decision in the socio-pragmatic realities of life. These problem solving skills are instrumental in finding,

analyzing, evaluating and applying information systematically so that judicious decision could be made.

**PO4: Appropriate Application of Methodological Tools:**

The programme makes a candid attempt of familiarizing students with some relevant methodological tools which help them exploring the underlying ideas, thoughts, concepts and meanings of law. A text is embedded into a rich cultural, social, pragmatic, and political realities and the apposite application of those methodological tools may unravel the textual and contextual richness.

**PO5: Development of Leadership and Soft Skills:**

Human beings while negotiating with the socio-pragmatic realities face umpteen numbers of challenges which are related to human reactions, motivation, leadership, conflict resolution and team building. All these problems can be responded and resolved with the development of soft skills and the designed programme indeed aims to resolve them.

**PO5: Formation of Professional Identity:**

Education intends to develop not only the intellectual and epistemological textures of the inhabitants of the synchronic society but it also hones professionalism among the denizens. Education of the globalized as well as globalized era focuses on the formation of professional identity among professionals. Thus, the programme intends to develop professional identity among students.

**PO6: Nurturing Ethics:**

The vying competitiveness has developed a great sense of individuality, utilitarianism, and material competitiveness among students. They have impelled the people to ignore honesty, empathy, integrity, and ethical principles and therefore, people are not able to make any ethical interventions. The programme therefore intends to nurture ethics and *dharma* among the denizens of the world.

**PO7: Developing Communicative Competence:**

The programme intends to develop grammatical and communicative competence among students and make them aware of the nature, form and function of language. Language is not merely a medium to communicate but is more fundamental to the process of the formation of ideas, thoughts and concepts. The programme therefore nurtures listening, writing, speaking and reading skills of students which allow them to communicate effectively in textual, personal and interpersonal contexts so that the discursive practices may be enriched and the trajectory of knowledge may get strengthened.

**PO8: The knowledge, knower and Society:**

The programme disseminates the fact the conception and distribution of knowledge in any form seems meaningless unless it is seen functioning in a society which is defined by the existence of human beings. The benefit of the common mass is always at the centre of all social, cultural, political, technological, and scientific innovations. Thus, the programme intends to integrate knowledge, knower or the human beings and society so that a sustainable society can be developed.

**PO9: Environment and Sustainability:**

The unprecedented growth and development in the world on industry, technology, trade and commerce etc have damaged the balance between nature and culture, Environment, ecology and all natural resources have been exploited to such a level that many of them are exhausted. Looking at these miserable conditions, the programme intends to prepare students to respond to some major issues of environment and sustainability.

**PO10: Lifelong Learning:**

A culture is inseparably intertwined into the complexes of its intellectual tradition or the systems of knowledge. The intellectual tradition remains alive

when the people communicate and engage themselves with some discursive practices. These practices help one in the identification of some thrust areas on the basis of self-criticality and reflexivity that keep the process of lifelong learning alive and unseasonable. Thus, the programme develops a strong urge among students to strive on the path of lifelong learning.

### **Programme Educational Objective**
